

# Engaging People Leads to Higher Performance

# APEX

At KIMBERLY-CLARK PROFESSIONAL\* we realise that going through a change management process in critical and controlled environments can be challenging. That's why we developed the **APEX Programme** by providing resources, structure and engagement to maximise success throughout your organization and improve your results.

**A**lignment  
of Stakeholders

Opportunities for creating value for your company.

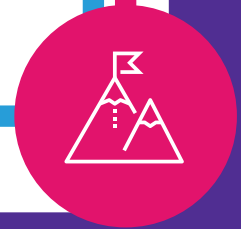

**P**roject  
Management

Dedicated Support Team that helps your company navigate changes with maximum success.

**E**ngagement  
and Training

Maximum satisfaction and contribution, helping employees own change. On-Site training led by a team of cGMP gowning experts.

**E**Xceptional  
Workplaces

Healthier, safer, more productive and more sustainable.
